

Choir Prayer
Written by Sacred Heart Choir
November 15, 1990

Heavenly Father, by Your Spirit, remind us of Your continuous presence and teach us to love You were ever You are found.

Be our strength that we may be Your faithful instruments in all areas of our lives from our music to our silence, from our action to our stillness.

Unite us and help us to grow, so as to bring all around us into our union with You that we may praise You in song, one voice, one heart, through Jesus Christ our Lord. Amen.
